

Discovery Cube Los Angeles wants you to be a part of our great team!

Discovery Cube Los Angeles is a nonprofit organization dedicated to inspiring and educating young minds through engaging science based programs and exhibits to create a meaningful impact on the communities we serve.

We are currently seeking seasonal part-time **INTERACTORS** who are personable, energetic, and professional to join our team – cash handling experience would be a plus! Interactors will need to be flexible and available to work weekends and 2 or more days during the week, through January 27, 2017.

Interactors assist Guests in interacting with specific exhibits and are trained on the science behind each exhibit, are responsible for providing friendly customer service to every Guest and are asked to ensure the safety of every Guest, plus they are responsible for creating a positive experience for our Guests.

Your Duties:

Operations:

- Ensure Guests' safety during exhibit interaction
- Operate exhibits according to standard operating procedures
- Assist with all operational needs

Guest Services:

- Provide service oriented solutions to Guests who are in need of assistance
- Provide friendly and professional interaction to both Guests and employees of all levels
- Share the science behind exhibits and concepts
- Proactively engage Guests when appropriate

Other Duties:

- Complete special assignments when assigned

Abilities & Behaviors:

- Must have the ability to stand for extended periods of time
- Must be friendly and enjoy talking to and interacting with children and adults of all ages
- Proactive and self-starter with minimal management
- Able to lift, push, or pull up to 25 lbs. for short periods of time
- Must be able to bend safely to turn exhibits on or off

Compensation:

Based on experience
